- † For NY—this course is transitional in nature and appropriate for newly admitted attorneys. Under New York’s Approved Jurisdiction policy, so long as certain requirements are satisfied, New York attorneys may count towards their New York CLE requirement credit earned through participation in out-of-state programs accredited by a New York Approved Jurisdiction. The policy applies to both traditional live classroom-format courses and to nontraditional format courses (online, DVD, teleconference, etc.). Check <http://www.nycourts.gov/attorneys/cle/approvedjurisdictions.shtml> to see a list of NY approved jurisdictions.
